

Celebration of Gary Gustafson

On October 26, Wyoming UMC celebrated the lay-ministry of Gary Gustafson, who has served as our church treasurer since January of 2013. For more than twelve and a half years, Gary has performed crucial tasks that keep our congregation functioning and in order: making sure that the money that comes into the church gets where it needs to go; approving expenses, writing checks, reconciling records. Throughout all of this Gary's administrative skill and heart for service was on display for all to see. Although he has decided that it is time to step down and pass the position onto another, we are deeply in his debt for all he has done for this church. The Church thanked Gary for his years of loyal service during worship, followed by a reception with cake and coffee.

Getting Buff

Thank you to Al Jackson, Ed Kramer, Rick Cieluch, and Karen Paul for buffing the floor of our Fellowship Hall!

Did You Know?

Every Thursday from 6–8 PM, the Wyoming Wanderers (Dave Haugen and Rudy Bachelor)—both excellent musicians—perform right here at Wyoming UMC! They're joined by a variety of talented friends for a lively jam session filled with music and fellowship. Everyone is welcome to sing along—whether you can carry a tune, sing off-key, or can't quite keep the beat! Those who come to listen and enjoy the music also provide refreshments each week, making it a warm, welcoming, and joy-filled community gathering. Come join us and share in the fun!

Love From Home

Although many of our young adults are away at college, they are never far from our hearts! The ladies of the Tuesday Morning Prayer Group lovingly packed boxes filled with Halloween goodies and treats to send to the college students connected to our church family. Thank you all for your generous spirit and for sharing God's love with these young adults!
